<input type="checkbox"/> Neck	<input type="checkbox"/> Back	<input type="checkbox"/> Health Certificate
<input type="checkbox"/> Other		<input type="checkbox"/> Ultrasound

Exam Authorization & Affirmation

We are often asked to conduct a purchase examination for a potential horse buyer. Sometimes, both the buyer and the seller are clients of Anoka Equine Veterinary Clinic. We value all our clients and prefer to avoid situations that could potentially jeopardize our relationship with either party. However, we are willing to perform the pre-purchase examination if both the buyer and the seller agree to the following terms: the veterinarian will represent the buyer's interests, the exam will be conducted objectively, the seller will provide all relevant medical records to the buyer, and the seller may be present during the examination.

Payment Authorization

Payment of fees is due at the time veterinary services are provided. We accept payment by Cash, Check, Visa, MasterCard, Discover and American Express.
 If you are unable to be present at the appointment, please provide our office with your credit card information for payment. For your convenience, a Credit Card Authorization Form is available on our website. Please ask for an estimate of services.
